

Francis Bennion, *Understanding Common Law Legislation: Drafting and Interpretation* (OUP, Oxford, 2001) ch 1: Basic Concepts I (pp 5-28)

'Bennion is outstanding in conceptualising statutory interpretation and I will be frequently drawing on this student work as well as his larger work (*Bennion on Statutory Interpretation*) of which the present is a distillation.'

Jeffrey Barnes of La Trobe University Australia in materials for Course on Advanced Statutory Interpretation.
